

REVISED

STATEMENT OF PURPOSE

RS27240 / H0373

This legislation updates language clarifying Idaho Correctional Industries as training program for incarcerated individuals in Idaho. Clarifies that participants are trainees, not employees. This legislation amends section 20-413A to allow Idaho Correctional Industries to create and maintain training programs with all agricultural products as defined in Idaho Code section 22-2602. Allows for the portion of training stipends to be deposited in reentry savings.

FISCAL NOTE

There is no fiscal impact to the General Fund, other state funds, or to any local government budgets. Idaho Correctional Industries is solely funded by sales of goods and services produced by the training programs, including any costs incurred by IDOC in support of ICI training programs.
